

Celebration of Lights
2020 Covid-19 Truck/Car Parade Protocols

Esquimalt Celebration of Lights is proud to announce that we have received municipal approval for a 2020 version of our Christmas Parade.

There are some pretty strict covid-19 guidelines and we received the approval based on these guidelines, and they are as follows.

If you are sick or not feeling well please stay home, we may be driving past your house so you can watch out the window. (see map)

You must wear a mask - this has become pretty normal these days.

While at the muster location please stay masked and in your bubbles.

Only Cars/Trucks in/on parade route.

Maximum of 50 vehicles including floats.

All participants must be in vehicles or on floats. Seatbelts must be used!

All participants must adhere to the rules of the road: ie Motor vehicle act, speed, stop signs etc.

If participants as well as community follow these guidelines and we have to have a similar event in 2021, approval will be easier to obtain.

The Celebration of Lights committee is working hard to ensure we can provide our community with a safe, practical and well enjoyed parade while adhering to covid-19 protocols in order to reduce the spread.

Please sign the application form to let us know that you have read and agree to these Guidelines.

PARADE APPLICATION

SUNDAY DECEMBER 6th 2020 @ 5:00 P.M.
